

## PREST. SCHURMAN IS TO LECTURE.

Attractive Program Arranged for  
The Coming Session of the  
Teachers' Association.

TO BE HELD IN TABERNACLE.

Executive Committee Has Outlined the  
Feast of Good Things to be Held  
In January.

A decidedly attractive and interesting  
program was arranged by the execu-  
tive committee of the Utah State Teach-  
ers' association at its meeting yester-  
day afternoon for the coming session  
of the association to be held in this  
city on Jan. 4, 5 and 6, 1905. The  
principal lecturer of the meeting will  
be President J. R. Schurman of Cornell  
university, who will deliver three lec-  
tures, two in the Tabernacle and one  
in Barratt hall.

The session promises to be the most  
successful one ever held by the associa-  
tion and no doubt there will be a large  
attendance of teachers from all parts  
of the state as the meetings are dur-  
ing the Christmas holidays.

Following is the program as arranged  
by the committee:

## NO HABEAS CORPUS.

Supreme Court Affirms Order in Case  
Of Convict Clark.

The supreme court handed down an  
opinion yesterday afternoon affirming  
the order of the lower court denying  
the petition of James H. Clark for a  
writ of habeas corpus. Clark, with Z.  
Graham and Albert Clark, robbed C.  
F. Johnson of a watch and about \$75  
in cash in a Commercial street saloon.  
James H. Clark and Graham were  
convicted of grand larceny and are  
now serving time in the state prison.  
Albert Clark was convicted of receiving  
stolen property and was sentenced to a  
term in the county jail.

The petitioner herein appealed from  
the judgment of the lower court and  
the supreme court affirmed the judg-  
ment. He then petitioned for a writ of  
habeas corpus and the lower court de-  
nied his petition and he again appealed  
to the supreme court. The opinion of  
the court, which was written by Chief  
Justice Baskin, holds that a writ of ha-  
beas corpus cannot operate as an ap-  
peal or a writ of error and the action of  
the lower court is accordingly affirmed.

## CLAIM AGAINST CITY.

John Meyerhoffer Wants \$5,000 Dam-  
ages for Personal Injuries.

John Meyerhoffer has filed a claim  
against the city with the city recorder  
asking for \$5,000 damages for personal  
injuries received on Oct. 23 by being  
thrown from his bicycle near the cor-  
ner of Fourth South and Ninth East  
streets because of a defect in the  
sidewalk. The matter will be presented  
to the city council on Monday night.

## THE FIRST GAME.

Basketball Contest at Gymnasium of  
L. D. S. U. on Saturday.

The first match game of basketball  
for the season is scheduled to come off  
in the gymnasium of the Latter-day  
Saints' University next Saturday at  
half past twelve o'clock. The game  
ordinarily lasts less than an hour. It  
will be a contest between the team of  
the Weber State academy of Ogden  
and the L. D. S. U. senior team. The  
Ogden school is coming down in force  
on the football sport, to cheer  
on their players, who have good hopes  
of victory. The L. D. S. team is al-  
most entirely a new one, and has none  
of the giants of last year. A lively  
game is assured.

## LYON WAS THE WINNER.

Victor in Jewelry House Litigation  
With W. F. Snyder.

An error occurred in the report of the  
verdict in the case of W. F. Snyder  
against A. E. Lyon in last evening's  
"News." The verdict was in favor of  
defendant instead of plaintiff, as re-  
ported. The jury found that defend-  
ant was entitled to the recovery of his  
share of the stock of jewelry of Lyon  
& Co., which had been sold by Snyder  
to another concern. The value of the  
goods was assessed by the jury at \$25-  
\$68.68, and the defendant was allowed  
interest on that amount in the sum of  
\$104.66.

## INFANTS' HOME.

The Institution Celebrated Its First  
Birthday Yesterday at 1 Street.

Yesterday the Infants' Home and  
Day Nursery finished the first year of  
its existence. In honor of the occasion  
the home, at the corner of 1 and First  
streets, was thronged during the after-  
noon hours by its friends and patrons.  
This was the first public reception  
held there since its opening a year  
ago, and the visitors received a favor-  
able impression of the work being done.

The work done by the home was a  
source of great satisfaction to the vis-  
iting patrons, many of whom had been  
instrumental in its founding. Besides  
the homeless children who live there  
permanently there is a class there each  
day who are left by their mothers  
through the necessity of earning a liv-  
ing. The home attempts to find fam-  
ilies willing to adopt infants, and thus  
to furnish homes to its little charges.  
So far the applications have exceeded  
the supply of friendless little tots.

During the past year, the treasurer's  
report shows the following work done:

FINANCES.	
Receipts—	
Donations	\$ 764.75
Membership fees	422.50
Board of inmates	346.25

## ERICKSON IS AHEAD.

Looks as Though He Had a Safe Lead  
Over Livingston.

Ferdinand Erickson, who appears to  
be in the lead in the race for district  
judge in the Seventh district, is in the  
city today, and says that reports from  
San Juan county give him a probable  
majority of 13 over W. D. Livingston,  
the Republican candidate. Mr. Erick-  
son says that he has a majority of 205  
in Sanpete county and 129 in Carbon  
county, 33 in Emery county, and the re-  
ports from San Juan place Living-  
ston's majority at 25 instead of 38. If  
the former figures are correct, then  
Erickson has a majority of 3, but if the  
latter, he will have a majority of 13.

## D. J. LINDSAY NOW A GENERAL AGENT.

"Tireless Toiler" of Railroad Row  
Enters Into His Reward at  
Jonesville, Wis.

WAS A PUPIL OF C. A. WALKER

General Agent of the Chicago &  
Northwestern Turns Out Another  
Finished Graduate.

Still one more railroad man who  
makes Salt Lake his headquarters has  
received a well deserved promotion.  
This time it is David J. Lindsay, trav-  
eling agent for the Chicago & North-  
western, who is known on Railroad row  
under the sobriquet, "The Tireless  
Toiler." Mr. Lindsay has been pro-  
moted to the position of general agent  
for the Northwestern at Jonesville,  
Wis., the appointment being effective  
Nov. 15. Mr. Lindsay is one of the  
Walker school here, and has graduated  
in the strenuous art of hustling busi-  
ness for the big road with honors after  
a four-years' course in competitive Salt  
Lake territory. While the greater part  
of his time has been spent in Idaho in  
the interests of his road, he makes Salt  
Lake his headquarters, and has a num-  
ber of friends here who will feel to con-  
gratulate him on this evening.

Just who will be appointed to suc-  
ceed Mr. Lindsay here is not at this  
time forthcoming, but it is safe to say  
that another man will be sent out to  
Mr. Walker to train. In his time, the  
general agent of the Northwestern has  
turned out some good graduates, not-  
ably D. D. Beardsley, who was here be-  
fore Mr. Lindsay, and who was subse-  
quently appointed general agent for the  
C. & N. W. at Spokane.

## MISS RUDOLPH'S ACCIDENT.

Manager of San Toy Company Says  
Will Not Hurt Show.

P. T. Hannan, business manager of  
John C. Fisher's San Toy company,  
which is booked to appear at the Salt  
Lake Theater next week, this morning  
received a dispatch from Los Angeles  
informing him of the automobile acci-  
dent in which Miss Mina Rudolph was  
hurt, and an account of which appears  
in the press dispatches on another page.  
Mr. Hannan states that while Miss Ru-  
dolph plays the title role, she is not the  
leading lady. He is in hopes that she  
will have recovered sufficiently by the  
time the company reaches Salt Lake so  
that she will appear, but in any case,  
she has a splendid understudy and  
the public will hardly know the  
difference, even if they had seen Miss  
Rudolph's interpretation.

## MORRISON APPOINTED.

Probationary Selection of Man to Suc-  
ceed Charles T. Vail.

The probationary appointment was  
made this afternoon, by Chief Bywater,  
of William Morrison, as superintendent  
of the alarms, in place of Charles T.  
Vail, resigned. Mr. Morrison was  
formerly a valued employee of the Bell  
Telephone company.

## SMALL BOY AND MATCHES.

The fire department was given a  
short run at 1:20 this afternoon, in re-  
sponse to an alarm from 46 west Third  
street. It was ascertained that a  
small blaze had been started by fat  
and unfeeling combination of  
small boys and matches. Fortunately,  
the fire had been extinguished before  
any damage had been done.

## Ward Entertainments.

A most unique and interesting series  
of entertainments will be given by the  
kindergarten teachers of the Seven-  
teenth ward Sunday school this season.  
They will consist of "A Trip Around  
the World." The first journey will be  
undertaken Friday night, when they  
will take their friends to Samoa. The  
residence of Mrs. Mina Cannon Ellis,  
at 74 north First West, will be ar-  
ranged to represent the land. A  
splendid collection of Samoan relics has  
been obtained, native Samoan girls in  
costume will dance and sing their na-  
tive songs. Hirina Whanga, a native  
chief, and his wife will be present. Na-  
tive refreshments will be served, and  
interesting lectures will be given by  
Eugene M. Cannon and Don C. Hard-  
ing. Enjoyment and profit can both  
be had at this entertainment, and the  
proceeds will be used for the benefit  
of the kindergarten class.

## COURT NOTES.

Suit to foreclose a lien upon the  
property of Utah Consolidated  
Mining company has been filed in the  
district court by W. G. Baker against  
the said company, Jacob Johnson and  
W. H. Asquith. Plaintiff claims that  
there is \$75.24 due him for services ren-  
dered in painting the company's build-  
ings and he asks judgment for that  
amount and also that his claim be con-  
sidered as a lien upon the property and  
that it be sold to satisfy the claim.

In the case of C. K. Dubois, charged  
with burglary, which was tried in  
Judge Lewis' court today, the jury re-  
turned a verdict of guilty of petit lar-  
ceny. Dubois was charged with bur-  
glarizing the Nebraska Furniture store  
on Second South street on the night of  
Sept. 30, but the jury returned a ver-  
dict finding the defendant guilty of the  
lesser crime.

Suit was filed in the district court  
today by David M. Davis et al against  
the Columbus Consolidated Mining  
company to quiet title to the area in  
conflict between the Blue Bird lode  
claim, owned by plaintiffs, and the  
C. K. and C. E. No. 2 lode claims,  
owned by defendant, located in the Lil-  
lie Cottonwood district.

Judge Lewis this afternoon granted a  
motion of the attorney for the defend-  
ant to dismiss the case of the State of  
Utah against John Rodas who was  
charged with assault with a deadly  
weapon with intent to do bodily harm.  
It was alleged in the information that  
Rodas, on Jan. 5, assaulted Jack Ingo  
with a knife at Bingham. The case  
was dismissed for the reason that the  
defendant had been brought to trial at  
the next term of the court after the  
complaint had been filed.

## THERMOPOLIS ROBBER JUST ESCAPED LYNCHING.

Thermopolis, Wyo., Nov. 17.—For a  
time last night the bandit captured by  
Deputy Sheriff Hanna and Edwards  
for robbing the Edwards' saloon here  
was in danger of being summarily ex-  
ecuted by the indignant citizens of this  
place. A large crowd gathered and  
the lynching of the robber was freely  
discussed, but finally the crowd gave  
up its plan for want of a leader.

The bandit will be taken to Basin for  
trial. He will be accompanied by a  
strong posse, as it is feared an attempt  
may be made by his friends to rescue  
him during the trip across the Owl  
Creek mountains. There is no further  
danger of mob violence.

The robber is unknown here, and is  
believed to have been induced to at-  
tempt the Thermopolis crime by the  
success of the Cody robbers in escap-  
ing. It is believed possibly he is one  
of the pair who shot Cashier Middaugh  
in the Cody bank.

A posse is still on the trail of the  
brother bandit.

## FEDERATION OF LABOR CONVENTION.

San Francisco, Nov. 17.—Texas got in  
first in the field as a bidder for the  
Twenty-fifth annual convention of the  
American Federation of Labor. When  
the forty days of the present conven-  
tion was called to order a number  
of telegrams, congratulatory and  
otherwise, were read and among them  
were two from the state of Texas ex-  
tending greetings to the delegates and  
urging upon them the advisability of  
holding their next annual session in the  
Lone Star state. The invitations came  
from the City of Fort Worth and from  
the trades labor council of the state,  
who designated no particular city as  
a meeting place.

So many resolutions were presented  
regarding the eight-hour day question  
and so important was this matter con-  
sidered by the executive council of the  
federation that it was recommended  
that all legislation pertaining to the  
short work day be referred to a special  
committee composed of Resin, Orr, W.  
J. Penne, L. M. Hart, H. J. Wendelken,  
Thomas, Mullahey, Richard Braun-  
shewitz, H. D. Thomas, D. Schmidt,  
D. B. Heron, P. J. Donnelly and J. J.  
Glass.

Ten o'clock being set apart as the  
special time for listening to fraternal  
delegates from Great Britain and Can-  
ada, James Wignall, of the former  
country was introduced and was given  
a great ovation by the delegates. His  
speech aroused the delegates to a high  
pitch of enthusiasm. He maintained  
that to be an ambassador of labor was  
a greater honor than to represent his  
country on a diplomatic mission.  
Speaking of the bonds between the two  
countries he said:

"The clasp of hands across the sea  
and the bonds of brotherhood with  
Canada, and the Anglo-Saxon family  
will come through the fraternaliza-  
tion of the toiling masses of the two  
countries."

## COUNT BENKENDORFF WILL NOT BE RECALLED.

St. Petersburg, Nov. 17.—The facts  
do not warrant the sensational report  
that Count Benkendorff, the Russian  
ambassador to Great Britain, may be  
recalled on account of the present hitch  
in the Anglo-Russian North sea con-  
troversy (as intimated by the London  
Daily Telegraph this morning in a dis-  
patch from St. Petersburg). Russia  
has taken exception to the language of  
the English text of the article relating  
to fixing the blame and has proposed  
some modifications but there is no evi-  
dence yet that a deadlock has been  
reached. The admiralty is undoubtedly  
exercising influence upon the foreign  
office in the matter. The Novoe Vrem-  
ya contends that the English text goes  
beyond the Hague conference, which  
only provides for a commission to de-  
termine the facts and in no sense to  
make an arbitral award.

## THE NATIONAL IRRIGATION CONGRESS.

El Paso, Texas, Nov. 17.—Another  
day of routine work in the various  
sections marked the session of the Na-  
tional Irrigation congress today. To-  
morrow the officers will be elected, res-  
olutions passed and the next meeting  
place selected. Today New Mexico,  
Texas and Mexico delegates are meet-  
ing together trying to develop an am-  
icable settlement of the question of a  
dam for storing waters to reclaim the  
valley both sides of the Rio Grande.

This matter has been in Congress and  
the courts for years. Among the ad-  
dresses read today was that of Herbert  
Meyer, editor of the American Agricul-  
turalist.

Engineers of the geological survey  
are kept very busy hearing delegations  
who are pleading for approval of var-  
ious irrigation enterprises.

The convention adjourned at noon to  
allow the delegates to witness a bull  
fight in Juarez, Mexico, this afternoon.

## PORT ARTHUR

Second Squadron Arrives.

St. Petersburg, Nov. 17.—As a result  
of the dispatches received from Gen.  
Stoessel, the war office expresses entire  
confidence that Port Arthur will be able  
to hold out till the arrival of the Rus-  
sian Second Pacific squadron.

## LATE LOCALS.

The level of the Great Salt Lake has  
remained stationary for the last two  
weeks.

Martha B. G. Smith has been granted  
a divorce from Andrew Smith, Jr., on  
the grounds of non-support.

A farewell social will be given in the  
Fifth ward meetinghouse, Friday even-  
ing in honor of Elder Jesse R. Pettit,  
who will leave on a mission to Ger-  
many on Nov. 25.

W. H. Dye, Jr., son of W. H. and  
May Brandon Dye, died this morning at  
11 a. m. of pneumonia at their resi-  
dence on Second South. He was 34  
years of age and was employed at  
Evanson, Wyo., where taken sick. His  
condition became so serious that his  
father went to Evanson and brought  
him to this city for treatment and good  
care. Everything possible was done for  
him, but the disease could not be  
checked and he succumbed this morn-  
ing. The sympathy of the relatives and  
friends are extended to the parents in  
this hour of bereavement. Notice of  
funeral will be given later.

## BUSINESS NOTES.

Today's local bank clearings amount-  
ed to \$979,930.00 as against \$836,696.60  
for the same day last year.

For some time Zion's Savings Bank  
& Trust company has been the owner of  
two very fine corners on U street, con-  
sisting of 6x10 rods on South Temple  
street, and 10x40 rods on First street.  
Recently the bank concluded to divide  
the property into building lots, and the  
first lot to be sold by the bank has been  
purchased by W. E. Ware, the well  
known architect. Mr. Ware has pur-  
chased 4x7 rods on the corner of U  
and First street, and will at once  
proceed to erect a handsome residence  
there.

Herman Hill has sold to Henry  
Newell for \$47,650 the two story brick  
immediately south of the Walker Bros.  
store on East Temple street, covering  
49 feet front and 165 feet in depth.  
The building is occupied by a drug  
store and bakery. Mr. Newell buys the  
property as an investment.
